Hi Fred,
We went ahead and cancelled the exit for Monday as we most likely won't be able to have everything ready by the morning. Once you're feeling better we can go over the financial statement changes and re-schedule an exit to a better date. Does that work for you?
Hope you get better soon!

Hi Fred,
Do you have time this morning for a call? We can go over those changes.
Thanks,
Juan C Berber

Juan
I was sent home sick yesterday morning. I have the flu. I don't think I can get those changes done since I'm not at city hall and the fevers make me somewhat delirious.
Also, I don't remember where to make the changes. Please advise.

Subject: Final Financial Statements
Hi Fred,
I just wanted to follow up on when can I expect to receive the final financial statements with the corrections? If we don't receive them by tomorrow morning we can't guarantee we could hold an exit for Monday morning.
Thanks,
