Hi Mandy,
He would just need to re-open and make the changes right?
Thanks.

Hey Juan,
Do these corrections get made on the SAO website? Do I just reopen my submittal and manually change the BARS?

Subject: Final Financial Statements
Hi Fred,
I just wanted to follow up on when can I expect to receive the final financial statements with the corrections? If we don't receive them by tomorrow morning we can't guarantee we could hold an exit for Monday morning.
Thanks,
