Hi Fred,
I just spoke with Jenny and I'm sorry about the news. Since the corrections were not submitted before you left, would you prefer to wait until you get back?
Another option would be for me to correct the significant items and I could have Olympia upload the documents through the online filing. Then I would need your final approval. This option would allow us to hold the exit conference soon. But we don't want to exclude you from the exit conference if you want to be in attendance. If we go with this option, you can always attend by phone if you are available.
Thank you,

Mandy Wilson

Hey Juan,
I was out yesterday, on a personal emergency, but will be submitting my corrections today.
