Dear Mr. Jenkins,

We have completed our response to your public records request sent in via email, as follows:

***The new request I would make is for all travel documents –including but not limited to itineraries, airplane, rental car, hotel, food –for Jason JeRue from January 2013 to the present.***

***~~This would also include the programs or schedules of events for conferences or other events that Troy Kelley (or if applicable JeRue) attended. (Cancelled the second part of your request per your email on 3/26/15)~~***

In response, Jason Je Rue did not have any travel reimbursements with SAO from January 2013 to present. Therefore, we have no responsive records to provide you. We will now consider this request closed. Please let us know if you have any further questions.

Sincerely,

*Mary Leider, CPRO*

We estimate we can have the responsive records ready by April 9, 2015. If we are unable to meet that date, we will contact you and let you know when to expect the work will be completed. Please let us know if you have any further questions.
