

Amendment to the

Letter of Agreement

Between

The City of Vancouver

And

Clark County Fire District 5

USE OF SPECIAL REVENUE FUND DOLLARS FOR LAND PURCHASE, STATION CONSTRUCTION, OPERATION AND EQUIPMENT FOR NEW STATION 11

Whereas, the City of Vancouver (City) and Clark County Fire District 5 (District) entered into a letter of agreement dated April 23, 2018, for the purchase of land, construction, and future operation of a new fire station (Station 11), and,

Whereas, the District had agreed to pay up to \$1,440,000 for the purchase of land for said fire station, which land had already been identified and appraised, and,

Whereas, a different parcel of land was ultimately purchased for Station 11, the actual cost of which amounted to \$430,155, and,

Whereas, this has resulted in the District holding an additional \$1,009,845 of monies that the District had originally intended to contribute towards the Station 11 project (\$1,440,000 minus \$430,155), and,

Whereas, construction costs for the fire station have increased significantly since the original agreement was contemplated,

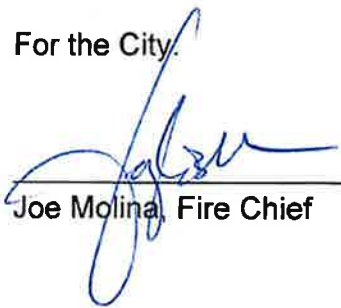

It is hereby agreed that:

1. The District shall provide to the City an additional **\$1,009,845**, said monies to be spent towards the construction of the fire station and/or towards apparatus and/or equipment therefor.

2. Said monies will be transmitted to the City no later than January 1, 2020.
3. All other provisions of the original Letter of Agreement signed by the parties on April 23, 2018 shall remain in force.

Signed this 6th day of May, 2019.

For the City:

Joe Molina, Fire Chief

For the District:

David Vial, District Administrator
