Dear Ms. Christie,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

Please accept this as a request for the management letters that accompanied the SAOs review of the Tahoma School District for the years 2020-present. Thank you.

In response, we have attached the only record found to fulfill your request with us. There was only one audit between 2020 and today that had a management letter, so we have attached it. Please let us know if you have any questions, concerns or issues with this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
