Dear Ms. Patton,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

In regard to the below information, it gives me the impression that City of Stevenson Fire and Skamania County District 2 Fire, are 2 separate entities. In the one document I attached, there was a mention of

"noted certain matters that we communicated to the district".

Please accept this as my public records request. Please fill via email with a PDF file:

Any management letters/notes of concerns or "matters"(as noted in report) for City of Stevenson Fire and Skamania County Fire District 2 from Jan 1,2014 to todays date of Feb 26,2024

[Fire | Stevenson Washington](#)

"For more than sixty (60) years the City of Stevenson Fire Volunteers and the Skamania County District 2 Fire Volunteers have joined together to provide fire prevention and suppression services for the protection of life and property within the City and District boundaries."

[ViewReportFile \(wa.gov\)](#)

" However, we noted certain matters that we communicated to the District. We appreciate the District's commitment to resolving those matters"

Recd. another email 2/26/24:

" This report contains the results of our independent accountability audit of Skamania County Fire Protection District No. 2 from January 1, 2011 through December 31, 2012."

In rereading the attached, I see that report that noted the concerns was even older. So, if its possible to get all documents requested, starting in January of 2011, it would be appreciated.

In response, the only audit report that had a management letter between the years of 2011 and 2024, was report #1010048 released 5/20/13, which is past retention and no longer available. Our retention for audit workpapers is 5 years beyond the release date, then they are destroyed. So you are aware the City of Stevenson Fire is not a separate entity. Since we have no responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
