Dear Mr. Miller,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***Auditors file number 748357 Describing easement size across the front of my property***

In response, our office does not deal with property records. You will need to contact the Skagit County Auditor directly to obtain the records you are seeking at [Finding Skagit County Public Records](#). Since we have no responsive records to fulfill your request, we will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
