Dear Mr. Reveal,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Lewis river little league. Woodland WA

In response, the State Auditor's Office (SAO) provides citizens with independent and transparent examinations of how state and local governments use public funds, and develops strategies to make government more efficient and effective. Therefore, we would not have records related to any little league organizations. Since we have no responsive records, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
