Dear Mr. Lee,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

We appreciated the opportunity to bid on the project K689-RFQQ-2303. We are always striving to continually improve, and towards that end as well as providing even more competitive proposals I would like to inquire where we placed amongst the other participants. We would also like a break down of the criteria used in the RFP scoring methodology.

In response, we have attached all the responsive records found to fulfill your request with us. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
