Dear Mr. Cornfield,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

***I just read the management letter for the WA Military Department.***

***I am interested in whatever additional detail is available related to the information technology contract issue cited on p 2-3. Things like when a contract was awarded, to whom and when was it negated and settlement paid etc.***

***It is hard to tell what year it occurred given the audit period is 2 years. There was no mention of pandemic so it does not sound like it involved any sort of emergency funding.***

In response, we have attached all the responsive records found to fulfill your request with us. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
