Claire,

It will be fastest and most thorough if we work this through our PDR process. I've copied our public records officer, Mary Leider, on this email. She will begin processing the request and we will work diligently to respond as quickly as possible. We usually move pretty quick! But it likely won't be today, however.

Let me know if I can help with anything in the meantime.

K

Not planning to write today necessarily, but would be great to get a look today, if that's at all possible.

Hi Kathleen,

Hope you're doing well. I'm wondering if your office might be able to provide the full audit file on this report: [ViewReportFile \(wa.gov\)](#). Trying to get a sense of the actual transactions.

Many thanks,
Claire Withycombe
