We're excited to share important  
news with you! We're updating our  
name to WaFd Bank.

Why? Folks have asked us if we're  
part of the Federal government,  
or if we were associated with our  
nation's capital, others weren't  
sure if we were a bank or another  
type of financial company.

We like our new name: We've  
had the nickname "Wah-Fed" for  
decades, now we've chosen to  
adopt it as our trade name. It's  
simple, short and easy to use in  
today's digital world.

We won't change our values and  
commitment to our clients and  
partners, common-sense banking  
approach or ongoing investment  
in technology to make banking  
easier. We're still us, WaFd Bank.  
Our goal remains the same: to  
support your success with the  
financial tools you need when,  
where, and how you want them.
