Dear Ms. Putscher,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I would like copies of any responsive documents relating to the straw election of November 21, 1963 when the Boston Harbor School District approved its merger into the Olympia School District. I am specifically looking for an agreement made between the school districts that upon their consolidation, the Olympia School District agreed to maintain Boston Harbor Elementary as a separate school, regardless of normal District standards for school size or consolidation. Thank you very much for your time!

In response, our office does not have such records. You would need to contact either the Olympia School District directly at [Home - Olympia School District \(wednet.edu\)](http://Home-OlympiaSchoolDistrict(wednet.edu)) or the Washington State Archives directly at research@sos.wa.gov in order to research the records you are seeking. Since we have not responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
