Dear Mr. Branham,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***I am looking for my divorce decree or divorce paperwork***

In response, our office audits state and local governments, we do not have divorce records. To get a copy of your divorce decree in Washington state, you can contact the county superior court clerk where the divorce was finalized:

- **Divorce decrees before 1968:** These are kept at the county level.
- **Divorce decrees from 1968 onwards:** These are kept at the Washington State Department of Health.

Since we have no responsive records, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
