Dear Ms. Smith,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

We need a current copy of easements on parcel #21612130500. A health inspector gave us an Auditors file #3317645 and #3317646. Thank you for your help. If a drawing is available that would be appreciated (PDF)

In response, we don't have certain records people are often looking for, but we can help you find them. These include:

- Birth, death, marriage and divorce records. For those, please visit the State Department of Health.
- Information about property transactions and deeds. Those can be obtained from the county where the property is located. A list of counties is available at the Municipal Research & Services Center of Washington.

Since we have no responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
