Dear Ms. Marshall,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Number of properties on KID assessed for 2015, 2020, and 2024. Sizes of those properties and yearly amts assessed per lot size for 2015, 2020 and 2024. Total revenue from those properties for 2015, 2020 and 2024. Expenses for 2015, 2020 and 2024 and employees salaries paid 2015, 2020 and 2024.

In response, our Office does not have property records. It looks like you are asking for real property valuation and assessment information. Our office would not have this data. We do not know what KID references? Maybe if you tell us what KID stands for, we can better help you. It sounds like the information you are seeking should be available at your local County Assessor's Office. Please let us know by May 22, 2025 if you need anything further from us, or we will consider this closed at that time.

Sincerely,

Mary Leider, CPRO
