---

Dear Mr. Ost,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***I am writing to request copies of the states fiscal records concerning all unclaimed, undeliverable and/or outstanding funds or obligations currently held in accounts managed by the state or issued by the state or any of its agencies, departments, or offices. We are interested in items that fulfill the below criteria, if possible:***

- 1. Are valued over \$499***
- 2. Have NOT been escheated to your state's abandoned property division***
- 3. Are payable to non-individuals***
- 4. 6 months or more have passed since the issue date Please provide the payee/recipient's name, address, amount, check number, date associated with the payment, and any additional information related to the nature of the payment.***

***Please provide this information in Microsoft Word, Excel or Adobe PDF format via email to [publicrecords@frsup.com](mailto:publicrecords@frsup.com). If there is a fee associated with this request, kindly supply an estimate before beginning your research.***

In response, our office does not have these types of records. Since we have no responsive records, we will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at [PublicRecords@sao.wa.gov](mailto:PublicRecords@sao.wa.gov), if you have any questions.

Sincerely,

Mary Leider, CPRO
