Dear Ms. Bennett,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***We are writing to request a copy of the bond that covered the work performed by the prime contractor, Fowler General Construction, on the Columbia Basin College Student Housing project which is believed to be located at 2600 N 20th Avenue, Pasco, Washington 99301. Please provide a pdf of the bond by email to [sam@kiesupply.com](mailto:sam@kiesupply.com) at your earliest convenience.***

In response, our office does not have the record you are seeking. You would need to contact the Columbia Basin College directly at [Home](#) to obtain the record you are seeking. Since we have no responsive records to fulfil your request with us, we will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at [PublicRecords@sao.wa.gov](mailto:PublicRecords@sao.wa.gov), if you have any questions.

Sincerely,

Mary Leider, CPRO
