Dear Mr. Drouet,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

***Good afternoon, my name is Alfonso Humberto Drouet born June 23rd, 1964, son of Rafael Benito Drouet and Marcela Nuñez Borja married on February 17, 1964. I live in California since 1996 but we all moved to Ecuador in 1967, my parents are still alive but they still live in Guayaquil, Ecuador; lately the Ecuadorian government is trying to update/digitalize all their records and since my mother is from Peru, married to an Ecuadorian, they requested their original with apostille marriage certificate; can you please direct me to the office that can help me with this?***

***I have a copy of their marriage certificate (#29953) signed by officiating clergyman or officer: Kathryn Ann Mautz***

***Since my sister and I are American citizens (my sister still lives in Ecuador) we are also asked to produce our birth certificates for any future recording/documentation that the Ecuadorian public records might need later in order to prove being born to Rafael and Marcela,***

***Please advise how to proceed***

In response, our office does not have the records you are seeking. You will need to contact the Department of Health directly at [Licenses, Permits & Certificates | Washington State Department of Health](#), in order to obtain the records you are seeking. Please let us know if you have any questions, concerns or issues with your request. Since we have no responsive records, we will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
