Dear Ms. Martin,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I am writing for copies of Cliff Whipple's notes from my conversations with him, and any other materials that can be released concerning these conversations, for the period between January 1, 1989 and December 31, 1994. I am requesting these records under the public records act and the privacy laws, and am confident that these records can be released to me since they are copies of my conversation with Mr. Whipple.

In response, our office does not have any retention schedule where we would still have specific notes from Cliff Whipple from 30 to 35 years ago. Emails are only kept for 6 years, so we are unable to search that far back. Cliff Whipple has not worked at our office since the end of 1999. Since we have no responsive records that would fulfill your request with us, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
