" This report contains the results of our independent accountability audit of Skamania County Fire Protection District No. 2 from January 1, 2011 through December 31, 2012."

In rereading the attached, I see that report that noted the concerns was even older. So, if its possible to get all documents requested, starting in January of 2011, it would be appreciated.

To Whom it may concern,

**In regard to the below information, it gives me the impression that City of Stevenson Fire and Skamania County District 2 Fire, are 2 separate entities. In the one document I attached, there was a mention of
"noted certain matters that we communicated to the district".**

Please accept this as my public records request. Please fill via email with a PDF file:

Any management letters/notes of concerns or "matters"(as noted in report) for City of Stevenson Fire and Skamania County Fire District 2 from Jan 1,2014 to todays date of Feb 26,2024

**Thanks,
Staci**
