Hi, Mary:

Thank you for chatting with me and Tania about the request we received from one of our audit clients in the civil asset forfeiture performance audit. Per your request, I am forwarding you the email so you can consult with AI to determine the following:

- Should this be treated as a public records request?
- Can we release this information prior to publishing the audit report? We plan to publish the audit report this request relates to on April 11th.
- What types of documents would be responsive to this request. Emails only or Teammate workpapers as well?

Looking forward to hearing from you!

Sohara

Good, afternoon:

We previously informed you that SAO will publish a summary response addressing aspects of some agencies' formal responses for the civil asset forfeiture performance audit. Audit standards require us to provide a response to agencies' formal response when such responses are inconsistent or in conflict with the audit findings, conclusions, or recommendations. Please see attached the SAO response we plan to publish with the audit report on April 11th.

Regards,

Sohara
