Dear Mr. Day,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

May I please have a request log that spans 7 years. I am assuming that since the RCW requires this be maintained that this is not a difficult request.

Please let me know if you need any further information to complete my request.

Please be advised, our records retention schedule for our public records request log is 2 years. After two years, the records are destroyed. We have attached the responsive record to fulfill your request with us for the records we still possess. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
