Civil Rights, OPMA, Public Records Request

Please provide a detailed description of the assertion or outstanding achievement, including who, when, where, what, how and how much.

Paula Bell appears to have violated civil rights and labor laws causing all three town crew members to quit leaving the town in jeopardy. With no one to install a water meter, Paula Bell and Joe Pessutti decided to hire someone from Spokane to install the meter and charge the new resident \$5000. We have no fee schedule and after 4 years in office Paula Bell can't find the water ordinances. Lind is not codified.
