Dear Mr. Bussiere,

The Office of the Washington State Auditor has completed our response to your public records request sent in via email, as follows:

To insure everyone is using the right numbers and to move forward on a solid foundation can you tell me when we can expect the completion and publication of the FYE 2023 audit as well as any adverse findings so corrective action can be taken?

If there is a Management Letter of adverse finding anticipated for FYE 2023 please consider this my PRR for that letter or letters. I know in some years there have been more than one. Thank you.

In response, we have attached all the responsive records found to fulfill your request with us. There was no management letter issued with this audit. We will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at PublicRecords@sao.wa.gov, if you have any questions.

Sincerely,

Mary Leider, CPRO
