Subject: Records Request - Audits of Architects Board and License
Date: Thursday, October 10, 2024 12:05:49 PM

External Email

Per the records laws of the State of Washington, please send the following audits in the history of the State Board of Architects:

1. Financial Audits
2. Performance Audits
3. Legal Audits

I used your search engine and was not able to come up with any audits of "architects."
