Dear Ms. Merrrell,

The Office of the Washington State Auditor has an update regarding our response to your public records request sent in via our website, as follows:

A citizen complaint was filed in October (?) 2024 against the City of Kenmore regarding the funding, operation and use of a Boathouse. I am requesting a copy of the original complaint and any additional follow up correspondence.

In response, the citizen complaint you are seeking is still an open investigation at this time. We are unable to provide you with these records until the complaint is closed. This complaint will not be looked into until the next audit of City of Kenmore, which we now estimate we can provide to you by April 16, 2025. If we are unable to meet that date, we will contact you and let you know when to expect the work will be completed. Please let us know if you have any questions, concerns or issues regarding your request.

Sincerely,

Mary Leider, CPRO
