Hi, Mary,

I checked with my team, and we have no knowledge of the error identified in the PRR. As a result, we do not have any responsive records.

Lmk if you have any other questions.

Thanks!

Sandra

Sandra,

New PRR 7608 - Al Rose received this request via email over a week ago and I need your help ASAP to find out if our office would even have any responsive records, so I can respond back to her right away.

Task
Description: She is an ex-employee of PCHA and had an issue with not receiving her W-2 timely. She did her original request to PCHA, but cc'd Pat McCarthy. Now our office is included in this most recent request.

Can you let me know as soon as possible?

Thanks,

Mary
