

It is a total of 70 hours from July 14-August 31.

After we make the changes in SAP and remove the OT, Overpayments should be able to calculate the amount.

Do you want Julie to remove the hours now?

Overpayments, please advise on the timeline.

Hi John,

Do you have the amount for what is being reported at theft of time?

Hi Corey – What was your full shift from 7/14 – 8/31? Did you work 7 am – 6 pm? If so, that's 2.5 hrs of OT per day.

It looks like you only turned in 30 minutes per day. So please if you did work 2.5 hours of OT each day – 1. Turn in timesheets for the remaining 2 hours of OT each day, and 2. Change your hours in schooldude work order 584207 to be 2.5 hours of OT per day.

Thank you!

I worked it when I came back from injury the 14<sup>th</sup> of July until the 8/31. I only put 30 minutes each day because that's all the cleaning I did but I was here & locked up from 3-6pm. Can I go back & claim those hours, I honestly didn't think about it & only claimed the time it took to trash & do bathrooms.
