Dear Mr. Flick,

The Office of the Washington State Auditor has completed our response to your public records request sent in via email, as follows:

Hello, pursuant to the public records act, we would like to request the budget/actual records for Pierce County Fire Protection district 5 for the period of 1/1/2020 - 6/1/2025. Thank you.

Clarification email 7/11/25:

Hello we are looking for, the budget to actual documents that the District passed for budgeted revenues and expenditures compared to actual revenues and expenditures for each year.

In response, we reviewed our audit files and we do not have any of the District's budget documents that they passed. This would need to be obtained from the District. In fact, the District has a page on their website where it posts all the approved budgets each year. You can find the adopted budgets there: [Documents and Resources - Gig Harbor Fire & Medic One](#). You can access the latest audits to see the rough estimates of revenues at [Audit Reports | Office of the Washington State Auditor](#).

Since we have no responsive records to fulfill your request with us. We will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at PublicRecords@sao.wa.gov, if you have any questions.

Sincerely,

Mary Leider, CPRO
