Dear Ms. Brutin,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

***Pursuant to Washington's open records law, I respectfully request access to the following public records:***

- 1. Blank contract/agreement template the department uses when providing, selling, or otherwise disclosing constituent data to outside entities (e.g., companies, corporations, or other businesses).***
- 2. Comprehensive list of all such outside entities that have received constituent data from the department from January 1, 2020, to the present, including (where available) the date of each agreement's execution or data transfer. I request these records in electronic, machine-readable format (PDF, CSV, or similar) delivered by email.***

***If any portion of the material is exempt, please redact only the exempt portions and provide the remainder, citing each specific exemption and its statutory basis. Additionally, if fulfilling this request is expected to incur copying or processing fees, kindly provide a written cost estimate before proceeding. Please confirm receipt of this request and provide an anticipated timeline for your response within the statutory timeframe. If you have any questions or require clarification, feel free to contact me.***

In response, we have no responsive records to fulfill your request with us. Since we have no records, we will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at [PublicRecords@sao.wa.gov](mailto:PublicRecords@sao.wa.gov), if you have any questions.

Sincerely,

Mary Leider, CPRO
