To the Public Records Officer,

Pursuant to RCW 42.56, I request the following records from the State Auditor's Office (SAO):

1. AI Inputs and Outputs

- All records consisting of *prompts, inputs, queries, or requests* entered by SAO staff into any Artificial Intelligence (AI) system (including but not limited to ChatGPT, Microsoft Copilot, Anthropic Claude, or other generative AI tools).
- All records consisting of the *outputs, responses, or generated text* returned by those AI systems to SAO staff.

2. Scope Limitations

- Please limit this request to records created or received between January 1, 2024 and the present.
- Please further limit this request to the following divisions and staff functions:
  - Communications / Public Affairs
  - Public Records Office
  - Performance Audit teams
  - Executive or Administrative Assistants serving the State Auditor or Deputy Auditors
  - SAO Legal Counsel and the Legal Affairs Division

Best,

Jamie Nixon
