Subject:

Submission of Documentation – Program Misrepresentation / Section 8 Housing Fraud /
Custody and Benefits Verification (Sealed Review Requested)

September 5, 2025

Dear DCYF, DSHS TANF, Pierce County Housing Authority Compliance/Fraud
Division, Catholic Community Services, and Fraud Review Units:

I am submitting this email to formally document that I have provided a complete
package containing a cover letter and a full range of supporting exhibits concerning
custody verification, program participation, and suspected misrepresentation involving

public housing and benefits.

This submission is intended strictly for internal fraud review and contains sensitive documentation, including legal guardianship confirmation, Social Security benefit records, and housing program details. Please seal this record from public access, as it involves protected information regarding minor children and sensitive benefit data.

Additionally, I would like to specifically note that one of the attached exhibits includes a 1099 form for the 2024 tax year related to Social Security death benefits for one of the minors. The amount listed on the form should be disregarded, as it was included unintentionally and should have been redacted to protect the child's financial privacy. The amount and the minor's name must not be used, shared, or referenced in any public, external, or third-party setting. This exhibit, and all related materials, must be treated as sealed and confidential.

This matter may also fall under the jurisdiction of Section 8 housing fraud and should be referred to the Pierce County Housing Authority's Compliance and Fraud Division. Catholic Community Services may be involved due to their role in reunification housing support and related housing assistance programs in Pierce County.

Please confirm receipt of this email and the attached materials. I am available to respond to any follow-up requests or provide clarification as needed.

Thank you for your attention and confidentiality.

Sincerely,

Mark D. Patterson

Dear DCYF, DSHS TANF, Washington State Auditor's Office, Pierce County
