Dear Mr. Patterson,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

Dear DCYF, DSHS TANF, Washington State Auditor's Office, Pierce County Housing Authority Compliance Division, and Catholic Community Services,

I am submitting this email to formally document that I have provided your agencies with a letter and a full range of supporting exhibits concerning program participation, custody verification, and potential public benefit misrepresentation.

Please reference this as sealed documentation from the public. The submitted materials include sensitive information regarding legal guardianship, Social Security benefits, and housing program participation, and are not intended for public disclosure.

This matter may also fall under the jurisdiction of Section 8 housing fraud and should be referred to the Pierce County Housing Authority's compliance and fraud division. Catholic Community Services may also be involved, as documentation was submitted to them as part of a housing-related program.

This report is submitted for confidential review and includes all exhibits in chronological order. Please confirm receipt and advise if any further steps are required.

Thank you for your time and attention. I am available to respond to any follow-up or clarification requests.

In response, SAO has received your documents. The documents have been reviewed. You have submitted this to the SAO public records request mailbox. These documents are not a request for public records from SAO. We will now consider this

closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at PublicRecords@sao.wa.gov, if you have any questions.

Sincerely,

Mary Leider, CPRO
