Subject: SAO Response to PRR #5492

Dear Mr. Plant,

The Office of Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I am an attorney and I represent the City of Toppenish. The City of Toppenish has been sued by Eric Hood for violating the PRA. Toppenish was audited in late 2018/early 2019. In the PRA request at issue, Eric Hood asked (on March 23, 2019) for "all records" the City got from the Auditor and "all records of any response to the audit or to the audit report." I would like to know if Eric Hood has made any PRA requests to the Auditor Office since March 2019 for records relating to the Toppenish audit. Please provide any such PRA requests from Mr. Hood, as well as the responses to those requests (if any). Thank you, and please do not hesitate to contact me if you have any questions.

In response to your request, we have not received any PRA requests from Mr. Hood regarding the City of Toppenish. Please let us know if you have any questions, concerns or issues regarding this request. Since we have no responsive records, we will consider this request closed.

Sincerely,

Mary Leider, CPRO
