Dear Mr. Kroman,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Please provide me with any notices sent to the WA state auditor by the Central Puget Sound Regional Transit Authority, aka Sound Transit, of investigations related to contracting and procurement within the last 12 months. Prioritize any contract related to IT functions. The contract may mention Datec and/or Juniper switches.

In response, the records you are seeking are part of an open investigation, therefore we are unable to provide any responsive records until the investigation is closed and released. We estimate the investigation may be completed by August 2023. If you could please send in another request at that time, we will process it then. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this request closed.

Sincerely,

Mary Leider, CPRO
