Dear Ms. Huling,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Could I please get the 2022 demographics of the public hospital district's board of commissioners in Washington State? Specifically the age, term, and length of service.

In response, our office does not have the records you are seeking, but you may want to contact MRSC at <https://mrsc.org/Research-Tools.aspx>. Since we have no responsive records to fulfill your request, we will now consider this closed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
