Hi there – no problem. Attached is the letter – also attached is the Commissioner’s initial email to our office, an attachment to that email called “audit protocols,” and the Commissioner’s email response to Pat’s letter.

As of today, SAO is able to conduct our audit work. We have access to the documents and personnel we need.

Let me know how else I can help.

K

Hi Kathleen,

I am trying to get a copy of the letter Auditor McCarthy sent to ESD leadership expressing concern about how the ESD was cooperating with the audit. Can you send me a copy?
