Dear Asotin402,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follow:

I have a few questions regarding a public record hot line audit.

- 1. Is there a retention dead line on a hotline audit done in 2009?***
- 2. Can this hotline audit be repealed after 14 years due to errors in the report.***
- 3. Can a government agency deny a job to a person that has a job opening if their name is listed in the audit as being at fault, after 14 years?***
- 4 Can this audit be reopened for clarification on the wording?***
- 5. What records would be available on a audit after 14 years.***
- 6. There were no charges filed against anyone in this audit.***

In response, this is not a public records request for an identifiable record, but a request for answers to your questions. Since there are no responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
