I have a few questions regarding a public record hot line audit.

1. Is there a retention dead line on a hotline audit done in 2009 ?
2. Can this hotline audit be repealed after 14 years due to errors in the report.
3. Can a government agency deny a job to a person that has a job opening if their name is listed in the audit as being at fault, after 14 years ?
- 4 Can this audit be reopened for clarification on the wording ?
5. What records would be available on a audit after 14 years.
6. There were no charges filed against anyone in this audit.

Thank you
