Dear Mr. Knowles,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Financial and Federal Audit City of Port Townsend for 1999, 2001, and 2003. I'm after the Financial section to get total revenue, total debt and total debt service payments. Don't need cover letters from SAO and City. Thanks you and good on you guys for making these newer versions available online.

In response, the Financial and Federal Audit for City of Port Townsend for 1999, 2001 and 2003 are past what is available on our website. Therefore the only way you can obtain a copy is to contact the Washington State Archives directly at research@sos.wa.gov for copies of those final audit reports. The remaining records you are seeking are related to the audits listed, which are past retention and have been destroyed. We only keep the audit workpapers for six years past the release date of the audit. Since we have no responsive records to provide you, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
