Subject: SAO Response to PRR #5629 - City of Tenino

Dear Ms. Iverson,

The Office of the Washington State Auditor has received your public records request sent in via our website, as follows:

The dates only that there were reports of suspected fraud of City of Tenino finances for 2016-2021. So I am asking for dates of reported fraud, not the reports themselves if they are open audits.

If there are closed audits, I would like the reported date, and the report itself.

In response, the City of Tenino had two notifications of suspected fraud that are still open at this time. F-20-154 we were notified 5/5/20. F-19-555 we were notified 12/22/2019. In the last 5 years there are no closed frauds. Please let us know if you have any questions, concerns or issues regarding this request. Since we have no records to provide that would fulfill your request with us besides this information, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
