---

Dear Ms. Adams,

The Office of the State Auditor has received and completed our response to your public records request that was sent in via our website, as follows:

***I need personal, financial, criminal information.***

In response, our office does not have personal, financial or criminal records. Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we:

- Perform special investigations of fraud and whistleblower cases and referrals from our Citizen Hotline.
- Conduct performance audits of state agencies and local governments.
- Produce several annual reports addressing state, local and internal matters.
- Take our role as partners in accountability seriously. We provide training and technical assistance to government organizations and have an extensive program to coordinate audit efficiency and to ensure high-quality audits. To learn more, explore the material in the Center for Government Innovation.

Since we have no responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
