Dear Mr. Rowland,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I request all documents and information regarding request for voter info that released my personal info to a person outside of need to know basis. This request includes the specific request Pierce county auditor office received in full content, what process was done to ensure only the information requested was provided that meets PI protection requirements before sending information to requestor, what email address said information was sent to, evidence that proves my info was deleted from requestor email account/electronic storage/printed media, evidence my information was not shared with other entities/sources.

In response, our office does not have the records you are seeking related to Pierce County Auditor. You will need to contact the Pierce County Auditor directly at [Making a Public Records Request | Pierce County, WA - Official Website \(piercecountywa.gov\)](#) for the records you are seeking. Since we have no responsive records, we will consider this closed.

Sincerely,

Mary Leider, CPRO
