Dear Mr. Brittig,

I have attached the email you mention from Melinda Siebert to Clint Volk on 11/16/21, but there were only 3 attachments/not 4, so I have attached the email as well. The one attachment "image003.png" is just the SAO logo. As mentioned in your final letter from us, please review what we have provided then let us know if you have any questions, concerns or issues regarding this request before 8/29/22 . If we do not hear back from you by then, this request will be closed at that time.

Thanks,

Mary,

In this release was an email to Clint Volk and his attorney from Melinda Siebert dated Nov 16th with several attachments. I do not have these attachments and it appears the portal link expired. Can you please send me the 4 attachments referenced in that email.

Thank you,

Jeff

Mr. Brittig,

The SFT message I sent you with the documents to fulfill your request has not been downloaded. Did you get the message from SFT Kiteworks to create a login and password in order to download the records? Let me know, I want to make sure you get the records.

I am going to try to attach the records to this email, I am hoping its not too large.

Thanks,

Mary Leider, CPRO

Dear Mr. Brittig,

The Office of the Washington State Auditor has completed our response to your public records request sent in via email, as follows:

Additionally (as a new PRR) I request any and all records of discussion, deliberation and decisions made by the SAO to keep closed my request to reopen the MCFD6 audit; after I presented Court-verified records that this agency provided false testimony, fabricated records, and silently withheld records from their last audit by the

SAO.

We have attached all the responsive records found to fulfill your request with us. Please review what we have provided then let us know if you have any questions, concerns or issues regarding this request within the next 30 days. If we do not hear back from you, we will then close this request at that time.

Sincerely,
