Dear Mr. Parrish,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

**Audit of Electric City started January 2022 this year**

In response, the audit you are seeking is still in progress and not released yet. So you are aware, in the future there is no need to make a records request for an audit report, because once all audits are released, they are posted to our website at <https://sao.wa.gov/reports-data/audit-reports/>. Just make sure to clear the date range before you enter the entity name you are seeking. Since we have no responsive records to fulfill your request with us, we will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
