Dear Ms. Kline,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Please email me the latest update of a residential listing for the Black Lake District. I would like the listing to include names and addresses. My email address is: suzannedkline@gmail.com

In response, our office does not have the records you are seeking. Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. You may want to contact Thurston County for the information you are seeking. We will now consider this request closed.

Sincerely,

Mary Leider, CPRO
