Dear Ms. Ellman,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Please provide a list of all tort claims filed against the Washington State Police or individual officers therein --claims filed in FY 2021 --the settlement amount, if one was paid --if named, please include each officer on the claim. Apologies if this is information that has already been disclosed elsewhere and I missed it.

In response, our office does not have tort claims filed against the Washington State Police or individual officers. You would need to contact the Attorney General's Office, Torts Division directly for the records you are seeking at [Torts | Washington State](#). Since we have no responsive records, we will now consider this closed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
