Dear Ms. Patrick,

The Office of the Washington State Auditor has received and completed our response to your public records request sent into our office, as follows:

Requested the names of the contracted service providers we reviewed, which service areas we reviewed and which areas we identified as underperforming. She most wants that information for the City of Seattle but said she would like all of that data.

We have attached all the responsive records found to fulfill your request with us. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
